THE LAFAYETTE COUNTY COURTHOUSE

The Lafayette County Courthouse was built in 1905 - 1907 at a total cost of \$136,556.17. A committee of three men from Shullsburg were the planners. Mr. Matt Murphy was the prime mover and source of money to build the courthouse. The bust of Matt Murphy is located on the entrance over the front steps of the courthouse.

INFORMATION ABOUT LAFAYETTE COUNTY

Situated in the Southwestern part of Wisconsin, Lafayette County lies within the unglaciated area of the state in the driftless region bordering the State of Illinois. With an area of 643 square miles or 411,520 acres, it has a population of 16,897 according to the 2011 final estimate.

The first settlements perfected by permanent occupation in Lafayette County were made during the year 1824 and were due to the existence of the lead mines, which led to early development and stability of the County. Today, Lafayette County is

one of the leading agricultural counties in the state, with 1,400 farms averaging 285 acres in size. Agriculture is the leading enterprise of the County. The County is rapidly developing into a recreational area. Man-made lakes provide excellent fishing, boating, and swimming. Well developed campsites offer complete facilities for vacations. Snowmobiling, horseback riding, ATV, and multi-use trails are available.

RULES OF THE LAFAYETTE COUNTY BOARD

RULE 1: This body, as legally constituted, shall be known as the Lafayette County Board of Supervisors. At the statutory meeting held on the Third Tuesday of April, each even numbered year, the Board shall organize by the nominations from the floor, candidates for chairperson, then upon closing of nominations, by election of a Chairperson by a secret ballot vote. In order to be elected to an office, a person must have a majority vote of the members present. If no one has a majority vote of the members present, then a second ballot must be cast to choose from the top two vote getters to determine the Chairperson. If after three (3) consecutive tie votes, a coin toss by the County Clerk will determine the outcome. Upon selection of the Chairperson, the same procedure would apply to the selection of the First Vice-Chairperson and then for a Second Vice-Chairperson. As soon as practical thereafter, the Committees of the Board, as per rule providing therefore, along with Committee Chairpersons shall be appointed by the Chairperson. The Chair shall call the meeting to order at the appointed time and if a majority or quorum is presented upon, roll call shall proceed with the order of business as per rule therefore. The Chair shall decide

all questions or order subject to appeal; the Chair shall preserve order and enforce the rules; the Chair shall vote upon all questions taken by the Yeas and Nays, except appeals from his own decision and shall otherwise promptly perform all duties of the office. The Chairperson is automatically a voting member of every Committee, Commission or Board (except the Lafayette County Board of Supervisors) for purposes of a quorum of Committee, Commission or Board, except as hereinafter provided. In the event of the anticipated absence of any Supervisor, member of any Committee, Commission or Board for a meeting other than a County Board meeting, the County Board Chairman may designate any County Board Supervisor to replace the absent Committee, Commission or Board member for purposes of participation and voting. If the County Board Chair does not act or is not available, the Vice-Chair or Second Vice-Chair of the County Board may designate any County Supervisor to participate and vote in the absent member's place.

RULE 2: After the journal of the previous meeting of the session has been read and corrected, if necessary, the order of business shall be called in the following order:

1. Petitions, Communications, and Accompanying Documents.
2. Department and Special interest reports.
3. Resolutions.
4. Reports of Standing Committees.
5. Reports of Special Committees.
6. Miscellaneous Business.

RULE 2A: Resolutions

Resolutions presented to the County Board, after consideration by the appropriate governing committee or committees, shall be acted upon by the Board. If the resolution is a major policy change or is an ordinance, there shall be a first reading and a second reading at successive County Board Meetings. Readings shall be read by title at successive meetings of the County Board, with complete text available for public examination in the Office of the County Clerk between the first and second reading. All other resolutions presented to the board, including the annual budget, shall be considered for adoption at the first reading.

RULE 3: COMMITTEES, BOARDS AND COMMISSIONS

The Lafayette County Board of Supervisors shall establish three committee structures--namely, Standing,

Elected and Appointed. The committee Chair and/or the County Board Chair, in concurrence, may appoint subcommittees as deemed necessary. Any subcommittee may be comprised of committee members and/or other persons designated by the committee and/or County Board Chair. All lay members' appointed terms shall serve concurrently with those of the County Board, except as otherwise stated in the Wisconsin State Statutes.

RULE 3A: Standing Committees The following Standing Committees shall be appointed:

Extension Committee (5 County Board members)

Audit Committee (3 members)

Human Resources Committee (5 County Board members)

Board members)

RULE 3E: Meeting Attendance

The Committee Chair shall provide an agenda to all committee members and shall maintain a list of all members attending a given meeting or who have an excused absence. If a member of the Lafayette County Board of Supervisors or a member of the Committees, Boards and Commissions, as designated under Rule 3, has three (3) or more unexcused absences from regularly scheduled meetings in a six month period, the committee chair shall report said absences to the Committee on Committees who shall review said member's attendance record. The Committee on Committees shall take such action as it deems appropriate with the consent of the Chairperson of the Lafayette County Board of Supervisors and, if required, with the consent of the Board of Supervisors.

RULE 3F: Closed Meeting Attendance

All elected members of the Lafayette County Board of Supervisors may attend any meeting of any committee

of the board, whether a standing member of that committee or not and whether the meeting is open or closed. Except as otherwise provided for by Lafayette County Board rule, a member attending the meeting of a committee of which that Supervisor is not a member shall be considered a guest and is not entitled to speak or vote on any issue before the committee.

Any committee of the Lafayette County Board of Supervisors may vote to exclude from a closed session meeting any Supervisor, whether a member of that committee or not, where that Supervisor has a conflict of interest of a business, financial, personal or family nature. It must be remembered that the county's interest in ethical government dictates that, for purposes of this rule, a conflict is to be broadly construed and may be interpreted to include situations where even an *appearance* of a conflict exists. The vote of a committee to exclude a Supervisor shall occur prior to that committee entering a closed session and shall be decided by a simple majority of the committee members present.

RULE 4: Every subject matter properly belonging to any Standing Committee shall be referred without motion to its appropriate committee unless otherwise

directed and all committees shall duly and fully consider the subject referred to it and report in writing the results of their deliberations to the open Board.

RULE 5: Every committee introducing a written resolution shall endorse the same with the names of all committee members. Any resolution which is to be taken up before the County Board shall be provided to the County Clerk's Office no later than three (3) business days preceding the meeting.

RULE 6: Any member may call for a division of yeas and nays upon any question before the Board for determination and the vote shall be recorded by the Clerk. Also, every vote taken in regard to levying taxes, appropriating money, dividing or altering the boundaries of any town or city or village shall be taken by the yeas and nays and be entered in the journal.

RULE 7: Every member present shall vote when a question is put, unless the County Board Chairperson shall, for special cause, excuse him/her.

RULE 7A: The County Board Chair shall announce any special voting procedures before any vote is taken by the County Board.

RULE 8: Any motion or resolution may be withdrawn before amendment or decision.

RULE 9: Any member who has the floor cannot be interrupted by any motion except to enter a motion to reconsider or to object to the introduction of a motion.

RULE 10: The reconsideration of any motion by a resolution may be called for on the same or succeeding day of the session.

RULE 11: In case of a tie vote upon any question, it shall be adjudged lost, and any member may move for the reconsideration of any question which has before received a tie vote.

RULE 12: A motion to adjourn, to lay on the table, for a previous question and limiting debate shall in every instance be decided without discussion.

RULE 13: These rules may be suspended, altered, or amended by a two-thirds vote of all members and upon all questions not especially provided for the foregoing rules. Robert's Rules of Order shall be deemed the authority and shall govern the action of the Board.

RULE 14: All elective offices shall be filled by ballot. The Formal ballot on any election shall be considered the final vote where a winner can be identified as receiving the majority of the votes of those county board members present.

RULE 15: All resolutions, ordinances, petitions, and recommendations not presented by regular County Board Committees shall be referred to the proper committees before final action is taken unless the rules are suspended.

RULE 16: At all public County Board meetings, any person other than a supervisor, which person wishes to speak to the County Board, must first secure permission and an acknowledgement from their supervisor that that person wishes to speak to the County Board. Their supervisor shall then obtain permission and acknowledgement from the County Board Chairperson that that requesting person will be allowed to speak to the County Board. In the notice to the County Board Chairperson, the supervisor should state the individual's name and address for the record, as well as the topic to which that person wishes to speak.

RULE 17: At any committee meeting, the committee chair may second any motion that comes before the committee, board or commission as a part of the regular business. The committee chair may also vote on all matters that come before the committee, board, or commission.

RULE 18: Approved minutes of all Committee (under 3a and 3b) meetings held will be made available to each County Board member on a monthly basis. Each department will make sufficient copies available to the County Clerk for distribution to the County Board Supervisors.

PUBLIC HEARING RULES

Any person wishing to speak at a public hearing may do so only if they have registered with the committee secretary before the posted beginning time of the meeting. Any person wishing to speak should register by signing their name, the subject to which they wish to speak and whether they are pro or con on the issue. At some time designated by the committee chairperson, before the committee meeting begins, the secretary or clerk shall close the registration for speaking. The clerk shall then present to the committee chairperson all names which have registered to speak. The committee chairperson, in establishing

the rules for the public hearing, may allow a time before the presentation or following the presentation of the information for the public hearing to allow the people who have registered time to speak. If the chairperson states that anyone present may ask questions of those presenting the main presentation, no person shall be allowed to ask more than one (1) question on a specific topic until all others wishing to speak are heard. The Chairperson, at the beginning of the meeting or before registration, may designate the length of time that any person who has registered to speak is allowed to speak.

These rules are established so that all individuals at the public hearing may be heard.
